

Birthday Party Policies

The Aliso Viejo Aquatic Center

1. Pool parties are not private, as the pools will remain open, but our designated lawn area is reserved for our parties. In particular, there are lessons sharing pool space on Saturday and Sunday morning until noon. There is no guarantee that all bodies of water will be open for every party as we occasionally have to close bodies of water for maintenance or programming. Parties are welcome to enjoy the Aquatic Center all day but are required to move from the designated area once your party time has expired.
2. Designated lawn area includes: seating and eating area for all party children. Please keep food and drinks contained in our designated party area. **NO GLASS CONTAINERS.** Smoking and alcoholic beverages are **NOT** permitted.*
3. Final guest counts are due three (3) days before the event, along with your guest list.
4. Customers are responsible for checking the calendar for early pool closures. The early pool closure schedule can be accessed at www.swimoc.com/avac-public under "Events/Closure Calendar."
5. *The Party Contract and refundable \$100 alcohol/cleaning deposit must be submitted the week of your party through the Premier Office or at the Aquatic Center. Please contact our office for details. You can call them at (949)716-3333 or email them at admin@premierswimacademy.com.
